Message from the Secretary

Elliot Yeske

Hello Everyone, I hope you all had a wonderful Christmas. The USC had a nice show in Des Moines this year. Bill Griebel did the judging, it had been some time since I had seen him judge. He did a great job, he told us that he had never judged a show with such a high number of quality birds. We had a good variety of colors and types at the show. We had a good auction that brought in a nice amount of money for the club. Thank you to everyone that donated birds for the auction.

It is that time of year again to get your dues paid and your band orders in so you don't get left out if we run out. Dues are still \$10 and bands are 35 cents again this year with \$2 postage and for the mailer.

Take care.

USC Annual Meet Des Moines 2008

By Bill Griebel

When I arrived at the Des Moines Show on Friday afternoon I was impressed with the size of the new show hall. I drove up from St. Louis with Perry Mueller and as we walked into the show hall we saw the swallow section where Nate and Elliot were setting up the judging area. An engineer would have been impressed with the thought that went into the understructure of the judges' platform. It was almost too bad that the frame had to be covered up with skirting. We talked about the number of swallows in the show and guessed about 65 to 75. Elliot decided to get the judging sheets and we then found out that there were 104 birds entered. My first question to the guys was, "should we start judging on Friday afternoon." It was decided that we would start at 9 a.m. Saturday morning and I was a little nervous.

Saturday morning around 8:30 we all got together to discuss the judging procedures. I did a walk-through to get a feel for the overall quality of the show and I realized at that time that I was headed for a workout! We started with the fullhead cleanleg classes where I rated a red barless of Elliot Yeske's HS. This bird had good type and wonderful color. I also rated Perry Mueller's blue barless fullhead (no crest) HS

President's Report

Perry Mueller

Its been a busy show season this year. The NYB show, the Pageant and now Des Moines are over. Soon the NPA Nationals will be here and gone. Our members have shown a lot of birds this season and this is good considering the state of the economy.

If your planning on attending the Nationals, Merle Starr will be handling the show details. We are planing to have a District meet there. Its time to start thinking about next years annual meet. In our next bulletin we will have nominations for that location. Also in the next bulletin I will give details about our breed of the issue in the 2010 Purebred magazine. Its time to start working on articles for it. Again I will give you the details for ads and articles next time.

with Elliot's red winning best fullhead. Next I judged clean leg spot classes with Gerald Kress' red barless rated HS taking top honors, a really nice bird.

The Saxon Fullhead classes were next. Chris Lindbon won the fullheads with a very nice Black Barless YC. It is good to see the black barless family making a comeback. Nice bird Chris. I just want to note here that Elliot entered a black spangle fullhead that was a knockout. Even though the muffs were not in good shape I want to thank Elliot for sharing this bird with us.

The Saxon Fairy classes were very competitive. Nate Wayne showed a red and a yellow white bar that were very nice, good color and type. Perry Mueller showed a black spangle that received a deserving HS. The top bird in the fairys came out of the blue white bar class. Mike Swanson is the owner of this bird, an old cock, with a rating of E and winning Reserve Champion Swallow. Good job Mike.

The Silesians were next with 3 E's coming out of this group. First, congratulation to Kaylee Skistimas for her Best Junior win. Nice bird Kaylee. Mike Swanson received an E rating on

a silver barless OC. Perry Mueller also received an E rating on a blue barless which also took the Best Young Swallow honors. Champion honors with an E rating went to a silver checker OC owned by Big Bad Bob Benson. This bird had a very nice checker pattern, a perfect shape to the muff and a wonderful closed back. The most impressive thing about our winner was that it went to the middle of the show cage, no matter what show cage it was put in, and posed for us. Great win Bob.

Thanks everyone for the opportunity to judge this show. This was no doubt the best quality and the toughest judging assignment I've ever attempted. Thank you Perry and Susie for putting me up Thursday night before the show and driving me to the show from St. Louis to Des Moines. And thank you Nate and Elliot for getting the judging area ready for us. Last of all, I enjoyed meeting Chris Lindbom, Kerry Hendricks, Gerald Kress and Kim Bartz; I enjoyed the time we spent together.

Comments by Mike Swanson, Judge at the Pageant of Pigeons 2008

It is always a great honor to be able to judge Swallows at the Pageant. It's been quite a few years since I had the opportunity to judge the Pageant, and it was great as always. Every year the breeders put on a quality show with outstanding competition and lots of quality color pigeons in addition to Swallows.

The entry included 80+ Swallows alone and well over 200 color pigeons! As usual, all of the breeders pitched in to do everything for the judge to make the show enjoyable and fun. So thanks to all of you! Typically, after the show, it takes a few days to recover from all the long hours of judging, talking about birds and catching up on friendships.

The years seem to slip away faster and faster. At Bill Griebel's place, I perused through old Pageant of Pigeon show catalogs from 1970's and discovered a picture of myself and Bill tearing down the pageant, and it seems just like yesterday instead of over thirty years ago! It is interesting how the friendships endure through different paths because of raising families, changing jobs and

moving, etc. Hopefully, I'll see all of these friends a little more often in the next few years. In fact by the time you read this I'll have travelled to the United Swallow Club's Annual Show in Des Moines, Iowa! Again there will be lots of friends from all over the United States.

At the Pageant, the quality of birds was outstanding. Bill Griebel took champion with a blue black bar Silesian which rated E. The bird had excellent color and station with long even sweeping black bars. Reserve Champion was a black barless clean leg shown by Jay Beal and also rated E Jay's bird had excellent black color and a very nice rounded head. Steve Ball served as the second judge to rate the bird E. Dave Holloway gave Jay lots of competition with his clean legs. Dave had some very nice silver spangles and other clean legs. Tony Broncato also entered some quality red clean legs.

The fullhead Swallows also were very nice with some exceptional black whitebars shown by Bill Griebel Sr. and other fullheads shown by Dave Harris that had excellent color. Leon Stephens had several outstanding red and yellows

in white bars and spangled Fairy and Silesians. Incidentally this was by far the best showing of these colors I have seen for quite some time. Their color and markings were excellent as was their muffs! Leon also had a couple of black white bar Fairy Swallows. I was very impressed with their excellent color and bars. Unfortunately, I haven't had access to the show results, so if I left out someone's birds, it wasn't intentional.

Looking ahead I encourage all of you to participate in the Swallow Special Edition of the Purbred Pigeon magazine. The March/April 2010 edition is dedicated as a special for Swallows. What an opportunity to promote our breed of pigeons and nurture new breeders and fanciers. For more details contact them at 615-851-9674 or their site is staff@purebredpigeon.com or www.purebredpigeon.com/breedoftheissue.

With the new year just around the corner, I wish all of you another great year breeding your birds and look forward to renewing friendships in the 2009 show season!
