John Navant lobbies for his choice for the annual meet:

[I would like to put my two cents in for the judges and the National Meet. I hear the guys in California want to have the National at the Pageant and fly a European in to judge. I would like to suggest this. I hear some folks in California are going to bid on the National for 2015, they will get it from what I hear. If that is the case have the National Swallow Meet then and fly the European in. This year I think the National Meet should be at the N.P.A. National in Oklahoma, with Gloria as the judge. So I think it's a win for everyone. The Mid West gets a National with a quality judge and California gets a National with a quality judge.]
