Message from the Vice President

Frank Bailey

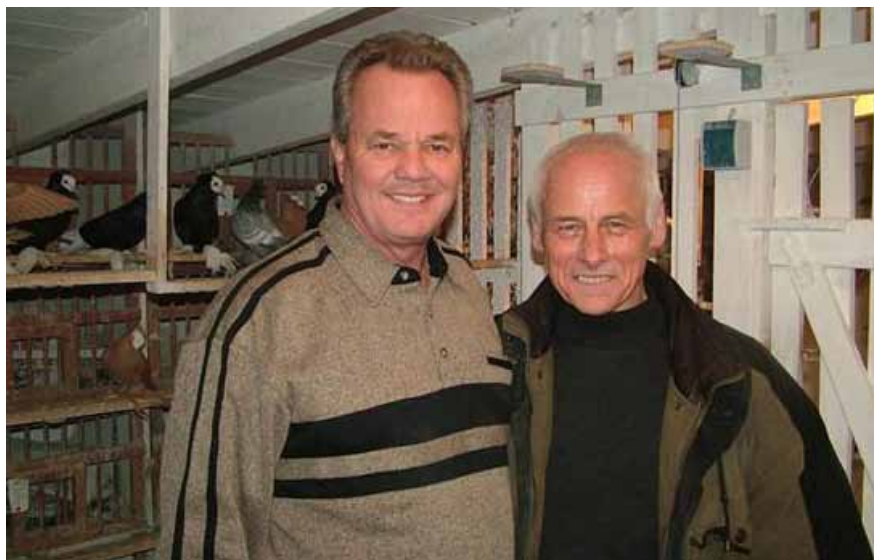

Thank you Germany...

Hello to all of our friends and club members of the German Swallow and Shield Club. My name is Frank Bailey and I am the Vice President of your sister Club here in the USA of North America. Our clubs name is the: "United Swallow Club". <http://www.unitedswallowclub.com/>

On January 7, 8 & 9, many of us from our clubs membership here in the USA and Canada traveled to your beautiful country, in order to visit many of you at the show and some of you in your homes. We were extremely honored to be able to attend your Annual Show in Zwönitz. Your organization offered an exhibition of some of the finest tauben the world has ever seen. Our clubs group of members was proud to have the opportunity to see not only Swallows and Shields, but many of the finest impressions of "Color Pigeons" from France, Switzerland, Austria, Begium, Netherlands, Czech Republic and Germany.

We here in the USA take our good relationship with our friends in the German Swallow and Shield Club very seriously and thank you for your hospitality and our ongoing friendships. Your organization as well as ours, remain committed to the breeding of a better tauben for today and insuring that tomorrow brings a promising future to the breed and show class of our choice.

The Southern California Color Pigeon Club and the Los Angeles Pigeon Club would like to invite you to visit us here in the United States of America this coming November 9, 10, 11 & 12, 2011. We are very busy making plans to exhibit some of our nations very best impressions of Thuringer Wing Pigeons, Silesian's, Fairy, Saxon Swallow's, Shields and many other Color Pigeons. Our show promises to be a very exciting celebration. It is special because it is a tribute to the 100 Year Anniversary of the Los Angeles Pigeon Club. For any questions about this event here in the USA, please contact myself at frankbailey@frontier.com or the President of the Los Angeles Pigeon Club: Mike Cobb at blackwhitebar@verizon.net or in Germany, please contact Andreas Reuter...
